3. Please leave fire extinguisher in place just inside the door
4. Please keep loft door dug out, be careful of the window, this is the upper fire escape!
5. Gather, split and stack more wood than you used in the cabin. This is not only a courtesy, but a safety protocol.

FOOD, TRASH, and PERSONAL BELONGINGS

1. Only limited dry, non-perishable, food items should be left secured in the food storage cabinet *for emergencies only*. Please do not leave additional food that may attract bears.
