# BUILDING CHAMPIONS

## IN SPORT & LIFE SINCE 1938

# WELCOME

Dear JHSC Family and Friends,

Looking back on the 2024-2025 season, I am grateful for the opportunity to work alongside our dedicated Coaches, talented Staff, and the remarkable student-athletes who make the Jackson Hole Ski & Snowboard Club core to our community. More than 530 athletes trained and competed across our Alpine, Backcountry, Freeride and Nordic programs this year, each contributing to the strength, spirit, and continued legacy of JHSC.

This season, we not only grew as athletes, but also made meaningful progress toward the priorities outlined in our Strategic Plan. Our work focused on expanding access to snowsports, supporting coaching excellence, and elevating the athlete experience for every participant. We awarded a record total of more than \$229K in need and merit based scholarships, reducing costs for our families, increasing opportunity within our programs, and expanding access to competitions.

Our student-athletes represented Jackson Hole on national and international stages, including standout results at World Juniors for Freeride and Nordic and a first place finish at the 2025 Alpine Whistler Cup. We celebrated 17 graduating seniors, with five now continuing their athletic careers at the NCAA level, a tremendous reflection of talent, dedication, and support from our coaching staff. We also maintained a 75% staff retention rate across all programs, reinforcing our commitment to stability, continuity, and high-quality instruction.

This season was full of moments that demanded grit and perseverance. We saw challenges met with determination, from injuries and setbacks to breakthrough performances and personal bests. Success took many forms: podiums, first finishes, friendships, confidence gained, and the courage to keep pushing forward.

Throughout it all, our community embodied our core values of Fun, Commitment, Teamwork, Sportsmanship and Competition. These values developed character as much as skill, shaping young people to thrive on snow and in life.

Together, we are Building Champions in Life through Sport, with pride, purpose, and deep gratitude for the community that supports us.

Here's to all we accomplished, and to all that lies ahead.

Ali Sehnert - Executive Director

# OVERVIEW

## Mission

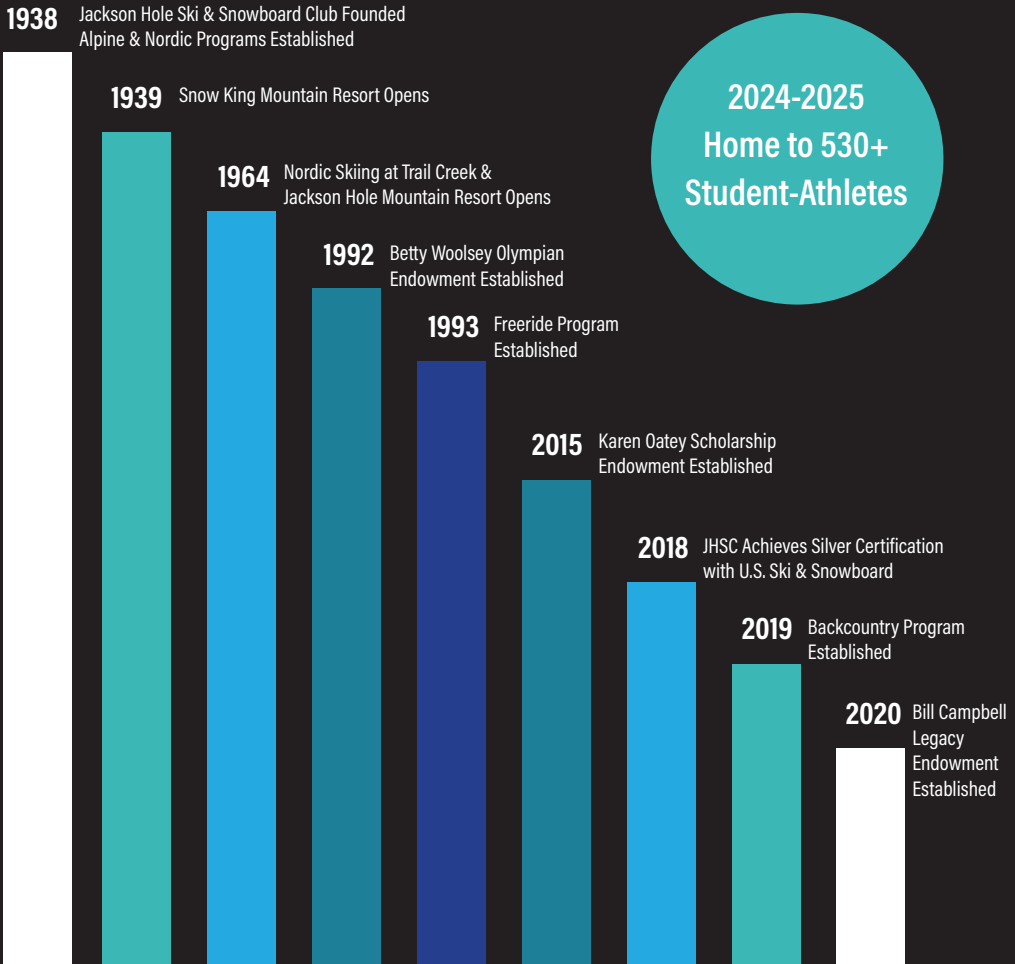

To inspire and develop student-athletes through innovative and accessible ski and snowboard programs that provide opportunities to pursue personal excellence in snowsports and life.

## Vision

World-class competitive skiing and snowboarding staff, programs, and facilities that build champions in sport and life.

## Values

Fun - Commitment - Teamwork - Sportsmanship - Competition

# GOALS

## Inspire Athletic & Personal Excellence

Provide student-athletes with the opportunity to achieve their full potential in competitive skiing and snowboarding through innovative training, character development, and supportive programming.

## Champion Access, Inclusion, & Community Engagement

As Jackson Hole's largest club sport, JHSC ensures access to winter sport opportunities through need-based scholarships and strong school and community partnerships. Year-round events keep our youth engaged and our community connected.

## Build a Sustainable, World-Class Organization

Invest in exceptional staff, venues, and facilities while cultivating organizational excellence and long-term financial sustainability to secure the future of the Club and its mission.

## Partner Spotlight - Coombs Outdoors

*"The strength of our partnership has provided program expansion and program capacity so more kids from low income households can experience the joy of snowsports. The opportunity for kids to go beyond initial ski lessons in a positive and inclusive environment is only possible with JHSC."*

*- Coombs Outdoors Executive Director, Jenny Wolfram*

Just three years after the inception of the Doug Coombs Foundation, JHSC sponsored the first Coombs skiers to join the Alpine programming in 2015. Since then, JHSC has been a significant partner with the now named Coombs Outdoors, welcoming advanced skiers transitioning from the learn-to-ski groups at Snow King Mountain Resort. In 2016, JHSC and Coombs Outdoors expanded the partnership with kids joining the Freeride Shredders. For the first time, JHSC/Coombs Outdoors kids were exploring big mountain skiing at Jackson Hole Mountain Resort. This was followed by starting Nordic Ositos program in 2020 at the Trail Creek Nordic Training Facility. Today, our collaboration continues to thrive: in the past year alone, JHSC supported 15 Alpine Rockchuck Racers, 3 Freeride Shredders, 35 Nordic Ositos, and 3 Nordic Junior student-athletes from Coombs Outdoors.

# ALPINE

JHSC Alpine student-athletes pushed boundaries both on and off the hill, from summer dryland sessions to a full winter season, rounding out with spring championships. The FIS and U16 student-athletes started the season with international camps in Austria, Chile, and New Zealand, along with performance workshops focused on mental strength, nutrition, and injury prevention. U14s joined for fall training and early-season skiing in Winter Park. Alpine's stacked winter season included major JHSC hosted events like the Sean Nurse Memorial, Wild West FIS, U14 Tech Qualifier, Wes Barron SG, and the Bank of Jackson Hole Club Series giving our student-athletes the chance to compete in beginner races through to elite-level competitions. From IMD Champs to World Juniors, JHSC Alpine student-athletes are building the skills and confidence to take on every challenge.

"From bravely getting themselves to the start gate for a second run after a crash, to cheering on their friends even when the race didn't go their way, JHSC has had such a positive impact on our boys' ability to find joy and friendships by committing to a process of learning. Yes, it take tremendous dedication and resources to be part of the program, but we have all learned that the greatest joy and satisfaction comes from hard found experiences with like minded friends."

-Alpine Parent

# BACKCOUNTRY

The Backcountry Team had its biggest season yet with 48 student-athletes experiencing unforgettable adventures and mountain education. Training began in September with dryland sessions and weekly Snow King tours to build fitness and team culture. Early winter included a Mail Cabin tour on Teton Pass, where small teams explored powder and learned safety skills. A 4-day hut trip to Montana's Downing Mountain Lodge was a highlight, with avalanche forecasting, logistics, and deep powder skiing. Throughout the winter, athletes tackled bigger lines in GTNP and Teton Pass while earning Wilderness First Aid and Avalanche 1 certifications. From beginners to seasoned skiers, every athlete advanced in fitness, skills, and decision-making—finishing the season with more confidence, leadership, and a deep respect for the mountains.

"Along with the knowledge in the fields of topography and avalanche safety, JHSC has taught me perseverance and endurance in the face of adversity, but most of all grit - arguably the most important thing a person can ever learn. These character traits have made me who I am both on and off the snow, and I have my coaches to thank for that. I will take the leadership skills I learned from these esteemed mountain guides into my career as an officer in the U.S. Military."

-Niamh Keating

# FREERIDE

This season, JHSC Freeride achieved success at regional, national, and international levels. Long-term athletes and committed coaches have created a culture of hard work and FUN in our Freeride Program. Summer featured 10 skateboard camps, with student-athlete participation in skate events across Wyoming and Idaho. On-snow training continued at Woodward Copper in June, Mt. Hood in July, and Andes Freeride Week in August. Fall brought strength training, trampoline sessions at AXIS gymnastics, and early-season camps at Woodward Park City. At full strength, our program enrolled 90 athletes across Freeskiing and Snowboarding disciplines. During the winter, record numbers qualified for the IFSA Junior Freeride Championships and USASA Nationals. Jack Kilmain became the first JHSC male skier to qualify for the Junior Freeride World Championships in Kappl, Austria, finishing as the top American. Freeride hosted three IFSA events and a successful Wednesday Night Lights Railjam series. This season felt like an exclamation point, and we can't wait to see where the momentum will take us in the future!"

"Being on the JHSC Freeride Competition Team is like having an unconditionally loving family that pushes you to become a better version of yourself every single day. You are lifted up, inspired, and rooted for by every coach and every fellow athlete. It is the greatest challenge and best experience you could hope for!"

-Piper Norwine

# NORDIC

The JHSC Nordic Program saw record participation, national and international results, and strong community engagement in 2024-2025. From Lollipoppers to the Competition Team, student-athletes logged countless sessions at Trail Creek in the Winter and throughout Jackson Hole in the summer. Trail Creek Nordic served as the hub for early snow, a full winter race season, and endless fun for community youth. Highlights included podiums at U.S. Nationals, the overall team win at Intermountain Youth Championships, and first-time qualifications for Junior Nationals, the Scandinavian U18 Cup, and World Juniors. JHSC ranked fourth among U.S. clubs at Junior Nationals, and alum Lucas Wilmot was named to the U.S. Cross Country D Team. With success across all levels and strong team culture, the Nordic Program continues to thrive under U.S. Ski and Snowboard 2025 Development Coach of the Year Will Wicherski and a fantastic cadre of professional coaches.

"With 3 children with different interests, our family has been involved with many of the organizations in Jackson. Hands down, the Jackson Hole Ski and Snowboard club is the one we would choose over and over again for their ability to support the family, the child, and the athlete. Their coaches are there to meet each athlete where they are and make them feel seen. The enthusiasm and care each coach gives over and over is to be commended."

-Nordic Parent

# EVENTS

## 2025-2026 EVENTS

Wes Barron Scholarship Scramble	September 26th
Annual Gear & Ski Swap	October 25th
Black Tie, Blue Jeans Ski Ball	December 6th
Rum Cup Community Race Series	February 2026
Moose Chase Nordic Race	February 14th
Jackson Hole Downhill	March 13 - 15th
4th of July 10k	July 4th

Each season JHSC hosts a number of community based events to promote the Club, engage the community, and drive development. These are long-standing, beloved events in the Jackson Hole community. Your attendance makes a direct impact on our student-athletes every day!

**Need and Merit Based Scholarships Awarded**

# ENDOWMENTS

**Bill Campbell Legacy Endowment** was created with his family's guidance to ensure long-term stability for the Jackson Hole Ski & Snowboard Club. It supports the Club's mission to remain accessible and competitive for future generations of local skiers and snowboarders. As a former Board President and 13-year Club leader, Bill understood the value of an operating endowment to help JHSC navigate financial challenges. As the fund grows, it will expand student-athlete support, increase retention, and provide greater competitive opportunities. Bill believed true success comes not just from athletic results, but from the values learned through sport.

Special thanks to Bill's wife, Faye Campbell, daughters Corrinna Campbell and Darcey Prichard, and son Bain Campbell.

**Karen Oatey Scholarship Endowment** was created by her family to share Karen's love of winter sports with young student-athletes in financial need. It honors her commitment to giving back and helping Jackson Hole youth discover skiing and snowboarding. JHSC awards scholarships based on financial need, academics, and sportsmanship to ensure cost doesn't prevent participation. As the endowment grows, more student-athletes can receive support. In a community blanketed in snow much of the year, all kids deserve the chance to thrive through winter sports.

Special thanks to Karen's husband, Dave Landes, siblings Nancy McMillan, Gary Oatey, Bill Oatey, and the Oatey Foundation.

**Betty Woolsey Olympian Endowment** established in 1992, honors Betty Woolsey—1936 U.S. Olympic Alpine Ski Team member and former team captain. The fund supports JHSC in offering high-quality ski and snowboard programs that reflect her legacy of excellence and achievement. This scholarship is awarded to U16+ Alpine, Freeride, and Nordic student-athletes who demonstrate high competitive merit, strong commitment to sport and academics, and uphold JHSC's core values. Betty's impact lives on through the student-athletes who carry her spirit into national and international competition.

Betty was inducted into the JHSC Hall of Fame in its inaugural Class of 2014.

# SCHOLARSHIPS

## **Need & Merit Based Scholarships**

Available to support families where finances present a barrier for participation. Merit-based scholarships are available to support student-athletes with their success in the sport.

### **Wes Barron Scholarship Fund**, *established in 2009*

Wes' fund is able to help local student-athletes, with financial need, participate in Alpine racing. Through this fund Wes continues to positively impact and inspire local kids who otherwise may not be able to participate in the sport.

### **Bryce Newcomb Scholarship Fund**, *established in 2024*

Annually, one freeskiier in financial need who displays the hard work and dedication Bryce displayed in his skiing, will receive the Bryce Newcomb Scholarship Award.

### **Tiernan Schuldt Scholarship Fund**, *established in 2024*

Annually, one snowboarder in financial need who who embodies Tiernan's spirit and love for snowboarding, will receive the Tiernan Schuldt Scholarship Award.
